As we kick off Hispanic Heritage Month, I want to take a moment to recognize and celebrate the rich culture, traditions, and contributions of the Hispanic community. To honor this special month, we'll be hosting a series of Hispanic-themed Happy Hours every Thursday at 2:30 PM. We hope you'll join us for music, food, and fun as we celebrate together!

We're thrilled to announce our new Family and Friend Referral Program! We're looking to welcome new neighbors to our community, and who better to help us than you? If you refer a friend or family member who moves in, you'll receive \$3,000 off your next month's rent as a thank-you. It's our way of saying we appreciate you helping us grow our wonderful community!

A huge shout out to Kattia and Ella on their well-deserved promotions! Kattia, who has been with the company for almost 3 years, has shown incredible dedication and passion, and we're thrilled to see her step into her new role as Memory Care Lifestyle Supervisor—congratulations, Kattia! With her promotion, we had an opening in our Lifestyle Coordinator position, and we're excited to welcome Ella—formerly one of our amazing servers—into the lifestyle team! September is Fall Prevention Month, a time to raise awareness about the importance of staying safe and steady. To support our community's well-being, we'll be hosting a special event called "Fall into Wellness" on September 23rd. Join us for helpful tips, activities, and resources focused on fall prevention and overall health. Please RSVP at the front desk or connect with our Sales Team for more information. We look forward to seeing you there!

If you hear the fire alarms go off, please remain where you are unless the fire is in your immediate area. In that case, move to a safe location away from the danger. Otherwise, wait calmly for a Director or staff member to provide further instructions and guide you through the appropriate procedure. Your safety is our top priority.
