This month, we're raising awareness about diabetes and ways to stay healthy. Simple steps like choosing whole grains, enjoying more fruits and vegetables, staying active, and monitoring your blood sugar can make a big difference. Let's take this month as a reminder to make small, healthy choices every day!

Director

 The holidays are right around the corner, and we're excited to announce the start of our Employee Appreciation Fund this November! As a reminder, our policies do not allow team members to accept tips or personal gifts from residents or families. Instead, you can show your gratitude by contributing to the fund through a check or gift card. Thank you for helping us celebrate and recognize our amazing team during this special season!
